

HOME EQUITY APPLICATION DISCLOSURE PRIME +

SECURITY STATE BANK OF HIBBING
701 E HOWARD ST
PO BOX 279
HIBBING, MN 55746

IMPORTANT TERMS OF OUR HOME EQUITY APPLICATION DISCLOSURE PRIME +

This disclosure contains important information about our HELOC EARLY DISCLOSURE (the "Plan" or the "Credit Line"). You should read it carefully and keep a copy for your records.

AVAILABILITY OF TERMS. All of the terms of the Plan described herein are subject to change. If any of these terms change (other than the ANNUAL PERCENTAGE RATE) and you decide, as a result, not to enter into an agreement with us, you are entitled to a refund of any fees that you paid to us or anyone else in connection with your application.

SECURITY INTEREST. We will take a security interest in your home. You could lose your home if you do not meet the obligations in your agreement with us.

POSSIBLE ACTIONS. Under this Plan, we have the following rights: We can terminate your account, require you to pay us the entire outstanding balance in one payment, and charge you certain fees if:

- (a) You engage in fraud or material misrepresentation in connection with the Plan.
- (b) You do not meet the repayment terms of the Plan.
- (c) Your action or inaction adversely affects the collateral for the Plan or our rights in the collateral.

We can refuse to make additional extensions of credit or reduce your credit limit if:

- (a) The value of the dwelling securing the Plan declines significantly below its appraised value for purposes of the Plan.
- (b) We reasonably believe you will not be able to meet the repayment requirements due to a material change in your financial circumstances.
- (c) You are in default of a material obligation of the Plan.
- (d) Government action prevents us from imposing the annual percentage rate provided for under the Plan or impairs our security interest such that the value of the interest is less than 120 percent of the credit line.
- (e) A government authority has notified us that continued advances would constitute an unsafe business practice.
- (f) The maximum annual percentage rate is reached.

The initial agreement permits us to make changes to the terms of the Plan at specified times or upon the occurrence of specified events.

Fees and Charges. In order to open and maintain an account, you must pay certain fees and charges.

Lender Fees. The following fees must be paid to us:

Description	Amount	When Charged
LOAN ADMINISTRATION FEE:	25.00	At Account Opening
UNDERWRITING FEE:	250.00	At Account Opening

Late Charge. Your payment will be late if it is not received by us within **11 days after the "Payment Due Date" shown on your periodic statement.** If your payment is late we may charge you 5.000% of the unpaid amount of the payment or \$10.40, whichever is greater.

Third Party Fees. You must pay certain fees to third parties such as appraisers, credit reporting firms, and government agencies.

These third party fees generally total between \$0.00 and \$2,000.00. We estimate the breakdown of these as follows:

Description	Amount	When Charged
CREDIT BUREAU:	\$9.46 TO \$18.92	At Account Opening
TITLE WORK:	\$110.00 TO \$1000.00	At Account Opening
COUNTY RECORDER:	46.00	At Account Opening
COUNTY AUDITOR:	.23% PER THOUSAND DOLLARS	At Account Opening
APPRAISAL:	\$600.00	At Account Opening
FLOOD DETERMINATION:	18.00	At Account Opening

PROPERTY INSURANCE. You must carry insurance on the property that secures the Plan.

MINIMUM PAYMENT REQUIREMENTS. You can obtain advances of credit during the following period: FIVE (5) YEARS FROM THE DATE OF THE HOME EQUITY AGREEMENT (the "Draw Period"). Your Regular Payment will equal the amount of your accrued FINANCE CHARGES. You will make 59 of these payments. You will then be required to pay the entire balance owing in a single balloon payment. If you make only the minimum payments, you may not repay any of the principal balance by the end of this payment stream. Your payments will be due monthly. Your "Minimum Payment" will be the Regular Payment, plus any amount past due and all other charges. An increase in the ANNUAL PERCENTAGE RATE may increase the amount of your Regular Payment.

In any event, if your Credit Line balance falls below \$50.00, you agree to pay your balance in full.

MINIMUM PAYMENT EXAMPLE. If you made only the minimum payment and took no other credit advances, it would take 5 years to pay off a credit advance of \$10,000.00 at an ANNUAL PERCENTAGE RATE of 7.750%. During that period, you would make 59 monthly payments ranging from \$59.45 to \$65.82 and one final payment of \$10,065.82.

TRANSACTION REQUIREMENTS. The following transaction limitations will apply to the use of your Credit Line:

HOME EQUITY APPLICATION DISCLOSURE PRIME + (Continued)

Credit Line SECURITY EQUITY CHECK, Telephone Request, In Person Request, Other Methods and Request By Mail Limitations. The following transaction limitations will apply to your Credit Line and the writing of SECURITY EQUITY CHECKs, requesting an advance by telephone, requesting an advance in person, accessing by other methods and requesting an advance by mail.

Minimum Advance Amount. The minimum amount of any credit advance that can be made on your Credit Line is \$500.00. This means any SECURITY EQUITY CHECK must be written for at least the minimum advance amount.

TAX DEDUCTIBILITY. You should consult a tax advisor regarding the deductibility of interest and charges for the Plan.

VARIABLE RATE FEATURE. The Plan has a variable rate feature. The ANNUAL PERCENTAGE RATE (corresponding to the periodic rate), and the minimum payment amount can change as a result. The ANNUAL PERCENTAGE RATE does not include costs other than interest.

THE INDEX. The annual percentage rate is based on the value of an index (referred to in this disclosure as the "Index"). The Index is the WALL STREET JOURNAL PRIME RATE. Information about the Index is available or published in the Wall Street Journal. We will use the most recent Index value available to us as of the date of any annual percentage rate adjustment.

ANNUAL PERCENTAGE RATE. To determine the Periodic Rate that will apply to your account, we add a margin to the value of the Index, then divide the value by 365 days. To obtain the ANNUAL PERCENTAGE RATE we multiply the Periodic Rate by the number of days in a year (366 during leap years). This result is the **ANNUAL PERCENTAGE RATE**. A change in the Index rate generally will result in a change in the ANNUAL PERCENTAGE RATE. The amount that your ANNUAL PERCENTAGE RATE may change also may be affected by the lifetime annual percentage rate limits, as discussed below.

Please ask us for the current Index value, margin, discount and annual percentage rate. After you open a credit line, rate information will be provided on periodic statements that we send you.

FREQUENCY OF ANNUAL PERCENTAGE RATE ADJUSTMENTS. Your ANNUAL PERCENTAGE RATE can change IMMEDIATELY WHEN WALL STREET JOURNAL PRIME RATE CHANGES. There is no limit on the amount by which the annual percentage rate can change during any one year period. However, under no circumstances will your ANNUAL PERCENTAGE RATE exceed 15.750% per annum or, go below 5.000% per annum at any time during the term of the Plan.

MAXIMUM RATE AND PAYMENT EXAMPLE. If you had an outstanding balance of \$10,000.00, the minimum payment at the maximum ANNUAL PERCENTAGE RATE of 15.750% would be \$133.77. This ANNUAL PERCENTAGE RATE could be reached immediately or prior to the 1st payment.

PREPAYMENT. You may prepay all or any amount owing under the Plan at any time without penalty.

HISTORICAL EXAMPLE. The example below shows how the ANNUAL PERCENTAGE RATE and the minimum payments for a single \$10,000.00 credit advance would have changed based on changes in the Index from 2012 to 2026. The Index values are from the following reference period: As of the 1st of July. While only one payment per year is shown, payments may have varied during each year. Different outstanding principal balances could result in different payment amounts.

The table assumes that no additional credit advances were taken, that only the minimum payments were made, and that the rate remained constant during the year. It does not necessarily indicate how the Index or your payments would change in the future.

INDEX TABLE

Year (As of the 1st of July.)	Index (Percent)	Margin (1) (Percent)	ANNUAL PERCENTAGE RATE	Monthly Payment (Dollars)
2012.....	3.250	1.000	5.000 (8)	42.47
2013.....	3.250	1.000	5.000 (8)	42.47
2014.....	3.250	1.000	5.000 (8)	42.47
2015.....	3.250	1.000	5.000 (8)	42.47
2016.....	3.500	1.000	5.000 (8)	42.47
2017.....	4.250	1.000	5.250	
2018.....	5.000	1.000	6.000	
2019.....	5.500	1.000	6.500	
2020.....	3.250	1.000	5.000 (8)	
2021.....	3.250	1.000	5.000 (8)	
2022.....	4.750	1.000	5.750	
2023.....	8.250	1.000	9.250	
2024.....	8.500	1.000	9.500	
2025.....	7.500	1.000	8.500	
2026.....	6.750	1.000	7.750	

(1) This is a margin we have used recently; your margin may be different.

(8) This A.P.R. reflects a 5.000 percent floor.

BORROWER ACKNOWLEDGMENT

The Borrower, after having read the contents of the above disclosure, acknowledges receipt of this Disclosure Statement and further acknowledges that this Disclosure was completed in full prior to its receipt. The Borrower also acknowledges receipt of the handbook entitled "What you should know about Home Equity Lines of Credit".

WHAT YOU SHOULD KNOW ABOUT

Home Equity Lines of Credit (HELOC)

Borrowing from the
value of your home

Consumer Financial
Protection Bureau

An official publication of the U.S. government

How to use the booklet

When you and your lender discuss home equity lines of credit, often referred to as HELOCs, you receive a copy of this booklet. It helps you explore and understand your options when borrowing against the equity in your home.

You can find more information from the Consumer Financial Protection Bureau (CFPB) about home loans at [cfpb.gov/mortgages](https://www.cfpb.gov/mortgages). You'll also find other mortgage-related CFPB resources, facts, and tools to help you take control of your borrowing options.

About the CFPB

The CFPB is a 21st century agency that implements and enforces federal consumer financial law and ensures that markets for consumer financial products are fair, transparent, and competitive.

This pamphlet, titled What you should know about home equity lines of credit, was created to comply with federal law pursuant to 15 U.S.C. 1637a(e) and 12 CFR 1026.40(e).

How can this booklet help you?

This booklet can help you decide whether home equity line of credit is the right choice for you, and help you shop for the best available option.

A home equity line of credit (HELOC) is a loan that allows you to borrow, spend, and repay as you go, using your home as collateral.

Typically, you can borrow up to a specified percentage of your equity. Equity is the value of your home minus the amount you owe on your mortgage.

Consider a HELOC if you are confident you can keep up with the loan payments. If you fall behind or can't repay the loan on schedule, you could lose your home.

After you finish this booklet:

- You'll understand the effect of borrowing against your home
- You'll think through your borrowing and financing options, besides a HELOC
- You'll see how to shop for your best HELOC offer
- You'll see what to do if the economy or your situation changes

Compare a HELOC to other money sources

Before you decide to take out a HELOC, it might make sense to consider other options that might be available to you, like the ones below.

TIP

Renting your home out to other people may be prohibited under the terms of your line of credit.

MONEY SOURCE	HOW MUCH CAN YOU BORROW	VARIABLE OR FIXED RATE	IS YOUR HOME AT RISK?	TYPICAL ADVANTAGES	TYPICAL DISADVANTAGES
HELOC <i>You borrow against the equity in your home</i>	Generally a percentage of the appraised value of your home, minus the amount you owe on your mortgage	Variable, typically	Yes	Continue repaying and borrowing for several years without additional approvals or paperwork	Repayment amount varies; repayment is often required when you sell your home
SECOND MORTGAGE OR HOME EQUITY LOAN <i>You borrow against the equity in your home</i>	Generally a percentage of the appraised value of your home, minus the amount you owe on your mortgage	Fixed	Yes	Equal payments that pay off the entire loan	If you need more money, you need to apply for a new loan; repayment is often required when you sell your home
CASH-OUT REFINANCE <i>You replace your existing mortgage with a bigger mortgage and take the difference in cash</i>	Generally a percentage of the appraised value of your home; the amount of your existing loan plus the amount you want to cash out	Variable or fixed	Yes	Continue to make just one mortgage payment	Closing costs are generally higher; it may take longer to pay off your mortgage; interest rate may be higher than your current mortgage
PERSONAL LINE OF CREDIT <i>You borrow based on your credit, without using your home as collateral</i>	Up to your credit limit, as determined by the lender	Variable, typically	No	Continue repaying and borrowing for several years without additional approvals or paperwork	Solid credit is required; you may need to pay the entire amount due once a year; higher interest rate than a loan that uses your home as collateral

Compare a HELOC to other money sources

MONEY SOURCE	HOW MUCH CAN YOU BORROW	VARIABLE OR FIXED RATE	IS YOUR HOME AT RISK?	TYPICAL ADVANTAGES	TYPICAL DISADVANTAGES
RETIREMENT PLAN LOAN <i>You borrow from your retirement savings in a 401(k) or similar plan through your current employer</i>	Generally, up to 50% of your vested balance or \$50,000, whichever is less	Fixed	No	Repay through paycheck deductions; paperwork required but no credit check and no impact on your credit score	If you leave or lose your job, repay the whole amount at that time or pay taxes and penalties; spouse may need to consent
HOME EQUITY CONVERSION MORTGAGE (HECM) <i>You must be age 62 or older, and you borrow against the equity in your home</i>	Depends on your age, the interest rate on your loan, and the value of your home	Fixed or variable	Yes	You don't make monthly loan payments—instead, you typically repay the loan when you move out, or your survivors repay it after you die	The amount you owe grows over time; you might not have any value left in your home if you want to leave it to your heirs
CREDIT CARD <i>You borrow money from the credit card company and repay as you go</i>	Up to the amount of your credit limit, as determined by the credit card company	Fixed or variable	No	No minimum purchase; consumer protections in the case of fraud or lost or stolen card	Higher interest rate than a loan that uses your home as collateral
FRIENDS AND FAMILY <i>You borrow money from someone you are close to</i>	Agreed on by the borrower and lender	Variable, fixed or other	No	Reduced waiting time, fees, and paperwork compared to a formal loan	Forgiven loans and unreported or forgiven interest can complicate taxes, especially for large loans; can jeopardize important personal relationships if something goes wrong

How HELOCs work

PREPARE FOR UP-FRONT COSTS

Some lenders waive some or all of the up-front costs for a HELOC. Others may charge fees. For example, you might get charged:

- A fee for a property **appraisal**, which is a formal estimate of the value of your home
- An application fee, which might not be refunded if you are turned down
- Closing costs, including fees for attorneys, title search, mortgage preparation and filing, property and title insurance, and taxes

PULL MONEY FROM YOUR LINE OF CREDIT

Once approved for a HELOC, you can generally spend up to your credit limit whenever you want. When your line of credit is open for spending, you are in the **borrowing period**, also called the **draw period**. Typically, you use special checks or a credit card to draw on your line. Some plans require you to borrow a minimum amount each time (for example, \$300) or keep a minimum amount outstanding. Some plans require you to take an initial amount when the credit line is set up.

MAKE REPAYMENTS DURING THE “DRAW PERIOD”

Some plans set a minimum monthly payment that includes a portion of the **principal** (the amount you borrow) plus accrued interest. The portion of your payment that goes toward principal typically does not repay the principal by the end of the term. Other plans may allow payment of the interest only, during the draw period, which means that you pay nothing toward the principal.

If your plan has a variable interest rate, your monthly payments may change even if you don't draw more money.

ENTER THE “REPAYMENT PERIOD”

Whatever your payment arrangements during the draw period—whether you pay some, a little, or none of the principal amount of the loan—when the draw period ends you enter a repayment period. Your lender may set a schedule so that you repay the full amount, often over ten or 15 years.

Or, you may have to pay the entire balance owed, all at once, which might be a large amount called a **balloon payment**. You must be prepared to make this **balloon payment** by refinancing it with the lender, getting a loan from another lender, or some other means. If you are unable to pay the balloon payment in full, you could lose your home.

RENEW OR CLOSE OUT THE LINE OF CREDIT

At the end of the repayment period, your lender might encourage you to leave the line of credit open. This way you don't have to go through the cost and expense of a new loan, if you expect to borrow again. Be sure you understand if annual maintenance fees or other fees apply, even if you are not actively using the credit line.

TIP

If you sell your home, you are generally required to pay off your HELOC in full immediately. If you are likely to sell your home in the near future, consider whether or not to pay the up-front costs of setting up a line of credit.

My best HELOC offer is: _____

How variable interest rates work

Home equity lines of credit typically involve variable rather than fixed interest rates.

A variable interest rate generally has two parts: the index and the margin.

An **index** is a measure of interest rates generally that reflects trends in the overall economy. Different lenders use different indexes in their loans. Common indexes include the U.S. prime rate and the Constant Maturity Treasury (CMT) rate. Talk with your lender to find out more about the index they use.

The **margin** is an extra percentage that the lender adds to the index.

Lenders sometimes offer a temporarily discounted interest rate for home equity lines—an introductory or **teaser rate** that is unusually low for a short period, such as six months.

Rights and responsibilities

Lenders are required to disclose the terms and costs of their home equity lines of credit. They need to tell you:

- Annual percentage rate (APR)
- Information about variable rates
- Payment terms
- Requirements on transactions, such as minimum draw amounts and number of draws allowed per year

- Annual fees
- Miscellaneous charges

You usually get these disclosures when you receive a loan application, and you get additional disclosures before the line of credit is opened. In general, the lender cannot charge a nonrefundable fee as part of your application until three days after you have received the disclosures.

If the lender changes the terms before the loan is made, you can decide not to go forward with it, and the lender must return all fees. There is one exception: the variable interest rate might change, and in that case if you decide not to go ahead with the loan, your fees are not refunded.

Lenders must give you a list of HUD-approved housing counselors in your area. You can talk to a counselor about how HELOCs work and get free or low-cost help with budgeting and money management.

Right to cancel (also called right to rescind)

If you change your mind for any reason, under federal law, you can cancel the credit line in the first three days. Notify the lender in writing within the first three days after the account was opened. The lender must then cancel the loan and return the fees you paid, including application and appraisal fees.

TIP

Some HELOCs let you convert some of your balance to a fixed interest rate. The fixed interest rate is typically higher than the variable rate, but it means more predictable payments.

If something changes during the course of the loan

HELOCs generally permit the lender to freeze or reduce your credit line if the value of your home falls or if they see a change for the worse in your financial situation. If this happens, you can:

- **Talk with your lender.** Find out the reason for the freeze or reduction. You might need to check your credit reports for errors that might have caused a downgrade in your credit. Or, you might need to talk with your lender about a new appraisal on your home and make sure the lender agrees to accept a new appraisal as valid.
- **Shop for another line of credit.** If another lender offers you a line of credit, you may be able to use that to pay off your original line of credit. Application fees and other fees may apply for the new loan.

WELL DONE!

For most people, a home is their most valuable asset. A HELOC can help you make the most of this asset, when you understand the ins and outs and know what to expect.

In this booklet:

ASK YOURSELF

Have I considered other sources of money and loans, besides a HELOC?

Have I shopped around for HELOC features and fees?

Am I comfortable with the worst-case scenario, where I could lose my home?
